

EQUIPMENT CATALOG

Version 1 2020

Call Us On: 7082 3748

sales@adlequip.com.au or support@adlsupportservices.com.au

In addition to our sister Company ADL Support Services ADL Equip strive to be a one stop shop of high quality Aids to assist your clients.

For your convenience we have compiled a handy list of commonly recommended Aids used in the rehabilitation and reengagement of injured claimants.

We recognise however that the needs of an individual are as unique as the individual themselves therefore please get in touch should there be an Aid you require not currently listed.

The Process

We know you are busy which is why we have developed a system as straight forward as possible. Just like service recommendations, once an item of equipment has been prescribed and approved by the funding body simply email us at either support@adlsupportservices.com.au or sales@adlequip.com.au with a list of the approved items along with the Claimants name, claim number, insurer, address and phone number and we will do the rest including delivery, unboxing and billing of insurer.

In the Garden
